## Why LazyBum Skincare?

LazyBum Skincare products are designed for time-poor individuals who have a hard time keeping up with their skincare routine. Most skincare products out there come equipped with a complicated routine. Where else our product gives one basic care for anyone who wants a clean face. We have two products that need to go in tandem and they are Lazze One- a foaming wash and Lazze Two – a 11 in 1 a toner and liquid moisturiser.

## Awesome Results

Using the LazyBum Skincare constantly for six weeks would give you glowing skin in no time. Try it and let us know by sending us testimonials at [editor@dailystraits.com](mailto:editor@dailystraits.com)

# Easy Peasy

Our products are easy to use. Two-steps of care and you are done.

**1** So, you're lazy when it comes to skincare? No sweat, we've got you covered! With our line you will be able to get all your skincare needs in just two simple steps.

**2** At the moment, our skincare line is only made for those with normal skin.

**3** The good news is that our line CAN be used by both sexes.

**4** You will be able to get some of the best results if you use our line for six continuous weeks but if you are lazy and forgetful results can still be seen within nine weeks.

**5** How do you use our line? **Step One** - clean using our 'Lazze One' facial cleanser. Recommended to use twice daily.

**6** Next, use our all encompassing Lazze Two II in I toner and liquid moisturiser. Dap the concentration onto your dry face. Let it sit for two minutes before heading out or putting on make-up.

**7** Viola, you are now done now with your daily skincare routine. Remember to repeat the process twice daily for optimum results.
